Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law provides, in summary, that the directors and officers of the Registrant may, under certain circumstances, be indemnified by the Registrant against all expenses incurred by or imposed upon them as a result of actions, suits or proceedings brought against them as such directors and officers, or as directors or officers of any other organization at the request of the Registrant, if they act in good faith and in a manner they reasonably believe to be in or not opposed to the best interests of the Registrant, and with respect to any criminal action or proceeding, have no reasonable cause to believe their conduct was unlawful. No indemnification shall be made, however, against expenses with respect to any claim issued or matter as to which such person shall have been adjudged to be liable to the Registrant unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, they are fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper. Section 145 of the Delaware General Corporation Law also provides that directors and officers of the Registrant are entitled to such indemnification by the Registrant to the extent that such persons are successful on the merits or otherwise in defending any such action, suit or proceeding. The Delaware General Corporation Law provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

Section 102 of the Delaware General Corporation Law permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for (i) any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) unlawful payments of dividends or unlawful stock repurchases, redemptions or other distributions, or (iv) any transaction from which the director derived an improper personal benefit.

Section 174 of the Delaware General Corporation Law provides, among other things, that a director, who willfully or negligently approves of an unlawful payment of dividends or an unlawful stock purchase or redemption, may be held liable for these actions. A director who was either absent when the unlawful actions were approved or dissented at the time, may avoid liability by causing his or her dissent to these actions to be entered in the books containing the minutes of the meetings of the board of directors at the time the action occurred or immediately after the absent director receives notice of the unlawful acts.

The Registrant's Certificate of Incorporation includes a provision that requires the Registrant to indemnify any and all persons whom it has the power to indemnify pursuant to the Delaware General Corporation Law against any and all expenses, judgments, fines, amounts paid in settlement, and any other liabilities to the fullest extent permitted by such Law.

The Registrant has entered into agreements to indemnify its directors and executive officers (pursuant to the form of agreement in Exhibit 10.5 to the Registrant's Form 8-K filed with the SEC on September 2, 2005) to the fullest extent authorized or permitted by the Delaware General Corporation Law or other statutes of Delaware having similar import and effect. These indemnification agreements, among other things, indemnify the Registrant's directors and executive officers for certain expenses and liabilities (including attorneys' fees), judgments, fines and settlement amounts incurred by such persons. In accordance with the indemnification agreements, the Registrant may also obtain an insurance policy pursuant to which the directors and executive officers of the Registrant are insured, within the limits and subject to the limitations of the policy, against certain liabilities which might be imposed as a result of such claims, actions, suits or proceedings, which may be brought against them by reason of having been such directors or executive officers.

The foregoing summaries are subject to the complete text of the statute, the Registrant's Certificate of Incorporation, and the arrangements referred to above and are qualified in their entirety by reference thereto.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will,

unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-8

Ladies and Gentlemen:

We have acted as special counsel to Diodes Incorporated, a Delaware corporation (the "Company"), in connection with the filing with the Securities and Exchange Commission (the "Commission") of a Registration Statement on Form S-8 (the "Registration Statement") under the Securities Act of 1933, as amended (the "Securities Act"), with respect to 7,000,000 shares of the Company's common stock, \$0.66 2/3 par value per share (the "Shares"), reserved for issuance pursuant to the Company's 2022 Equity Incentive Plan, as approved by the Board of Directors of the Company on March 11, 2022 and approved by the stockholders of the Company on May 25, 2022 (the "Plan"). This opinion is being furnished in accordance with the requirements of Item 8 of Form S-8 and Item 601(b)(5)(i) of Regulation S-K.

Based upon and subject to the foregoing, and the qualifications and limitations set forth below, it is our opinion that, if, as and when the Shares are issued and sold (and proper and sufficient consideration therefor received and appropriate stock certificates therefor properly executed and delivered or, in the case of uncertificated shares, an appropriate notation made by the transfer agent in the Company's stock transfer books and records) pursuant to the provisions of the Plan and the relevant award agreements duly authorized in accordance with the Plan, such Shares will be validly issued, fully paid and non-assessable.

We express no opinion as to matters governed by any laws other than the Delaware General Corporation Law and reported decisions of the Delaware courts interpreting these laws.

This opinion letter is rendered as of the date first written above, and we disclaim any obligation to advise you of facts, circumstances, events or developments which hereafter may be brought to our attention and which may alter, affect or modify the opinion expressed herein. Our opinion is expressly limited to the matters set forth above, and we render no opinion, whether by implication or otherwise, as to any other matters relating to the Company, the Plan, the award agreements related to the Shares or the Shares issuable under the Plan.

We consent to the filing of this opinion letter as Exhibit 5.1 to the Registration Statement. In giving such consent, we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission.

Respectfully submitted,

DIODES INCORPORATED
2022 EQUITY INCENTIVE PLAN

SECTION 1. INTRODUCTION.

The Company's Board of Directors adopted the Plan on the Adoption Date conditioned upon and subject to obtaining Company stockholder approval of the Plan as provided under Section 16(a).

The purpose of the Plan is to promote the long-term success of the Company and the creation of stockholder value by offering Selected Employees an opportunity to acquire a proprietary interest in the success of the Company, or to increase such interest, and to encourage such Selected Employees to continue to provide services to the Company and to attract new individuals with outstanding qualifications.

The Plan seeks to achieve this purpose by providing for Awards in the form of Options (which may constitute Incentive Stock Options or Nonstatutory Stock Options), Stock Appreciation Rights, Restricted Stock Grants, Stock Units, and/or Other Equity Awards.

Capitalized terms shall have the meaning provided in Section 2 unless otherwise provided in this Plan or any applicable Award Agreement.

SECTION 2. DEFINITIONS.

If a Participant's employment agreement or Award Agreement (or other written agreement executed by and between Participant and the Company) expressly includes defined terms that expressly are different from and/or conflict with the defined terms contained in this Plan then the defined terms contained in the employment agreement or Award Agreement (or other written agreement executed by and between Participant and the Company) shall govern and shall supersede the definitions provided in this Plan.

(a) "Adoption Date" means March 11, 2022.

(b) "Affiliate" means any entity other than a Subsidiary, if the Company and/or one or more Subsidiaries own not less than 50% of such entity. For purposes of determining an individual's "Service," this definition shall include any entity other than a Subsidiary, if the Company, a Parent and/or one or more Subsidiaries own not less than 50% of such entity.

(c) "Award" means any award of an Option, SAR, Restricted Stock Grant, Stock Unit, or Other Equity Award under the Plan.

(d) "Award Agreement" means an agreement between the Company and a Selected Employee evidencing the award of an Option, SAR, Restricted Stock Grant, Stock Unit, or Other Equity Award as applicable.

(e) "Board" means the Board of Directors of the Company, as constituted from time to time.

(f) "Cashless Exercise" means, to the extent that an Award Agreement so provides and as permitted by applicable law and in accordance with any procedures established by the Committee, an arrangement whereby payment of some or all of the aggregate Exercise Price may be made all or in part by delivery of an irrevocable direction to a securities broker to sell Shares and to deliver all or part of the sale proceeds to the Company. Cashless Exercise may also be utilized to satisfy an Option's tax withholding obligations as provided in Section 15(b).

(g) "Cause" means, with respect to a Participant, the occurrence of any of the following: (i) Participant's personal dishonesty, willful misconduct, or breach of fiduciary duty involving personal profit, (ii) Participant's continuing intentional or habitual failure to perform stated duties, (iii) Participant's violation of any

law (other than minor traffic violations or similar misdemeanor offenses not involving moral turpitude), (iv) Participant's material breach of any provision of an employment or independent contractor agreement with the Company, or (v) any other act or omission by a Participant that, in the opinion of the Committee, could reasonably be expected to adversely affect the Company's or a Subsidiary's or an Affiliate's business, financial condition, prospects and/or reputation. In each of the foregoing subclauses (i) through (v), whether or not a "Cause" event has occurred will be determined by the Committee in its sole discretion or, in the case of Participants who are directors or Officers or Section 16 Persons, the Board, each of whose determination shall be final, conclusive and binding. A Participant's Service shall be deemed to have terminated for Cause if, after the Participant's Service has terminated, facts and circumstances are discovered that would have justified a termination for Cause, including, without limitation, violation of material Company policies or breach of noncompetition, confidentiality or other restrictive covenants that may apply to the Participant.

- (h) "Change in Control" means the consummation of any one or more of the following:
 - (i) Any person, including a group as defined in Section 13(d)(3) of the Exchange Act, becomes the beneficial owner of stock of the Company with respect to which twenty-five percent (25%) or more of the total number of votes for the election of the Board may be cast;
 - (ii) As a result of, or in connection with, any cash tender offer, exchange offer, merger or other business combination, sale of assets or contested election, or combination of the foregoing, persons who were directors of the Company just prior to such event shall cease to constitute a majority of the Board;
 - (iii) The Company ceases to be an independent publicly owned corporation or a sale or other disposition is completed for all or substantially all the assets of the Company; or
 - (iv) A tender offer or exchange offer is made for the Shares (other than one made by the Company) and the Shares are acquired thereunder.

A transaction shall not constitute a Change in Control if its sole purpose is to change the state of the Company's incorporation or to create a holding company that will be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transactions.

- (i) "Code" means the Internal Revenue Code of 1986, as amended, and the regulations and interpretations promulgated thereunder.
- (j) "Committee" means a committee described in Section 3.
- (k) "Common Stock" means the Company's common stock, \$0.66 2/3 par value per Share, and any other securities into which such shares are changed, for which such shares are exchanged or which may be issued in respect thereof.
- (l) "Company" means Diodes Incorporated, a Delaware corporation.
- (m) "Consultant" means an individual or entity which performs bona fide services to the Company, a Parent, a Subsidiary or an Affiliate, other than as an Employee or Non-Employee Director.
- (n) "Date of Grant" means the date the Committee (or the Board, as the case may be) takes formal action designating that a Participant shall receive an Award, notwithstanding the date the Participant accepts the Award, the date the Company and the Participant enter into a written agreement with respect to the Award, or any other date.
- (o) "Disability" means the following:

- (i) For all ISOs, the permanent and total disability of a Participant within the meaning of Section 22(e)(3) of the Code;
- (ii) For all Awards which are considered nonqualified deferred compensation under Code Section 409A and for which payment can be made on account of the Participant's disability, the disability of a Participant within the meaning of Section 409A of the Code; or
- (iii) For all other Awards, the Participant's medically determinable physical or mental incapacitation such that for a continuous period of not less than twelve (12) months, a person is unable to engage in any substantial gainful activity or which can be expected to result in death.

Any question as to the existence of that person's physical or mental incapacitation as to which the person or person's representative and the Company cannot agree shall be determined in writing by a qualified independent physician mutually acceptable to the person and the Company. If the person and the Company cannot agree as to a qualified independent physician, each shall appoint such a physician and those two (2) physicians shall select a third (3rd) who shall make such determination in writing. The determination of Disability made in writing to the Company and the person shall be final and conclusive for all purposes of the Awards.

(p) "Employee" means any individual who is a common-law employee of the Company, or of a Parent, or of a Subsidiary or of an Affiliate. An employee who is also serving as a member of the Board is an Employee for purposes of this Plan.

(q) "Exchange Act" means the Securities Exchange Act of 1934, as amended.

(r) "Exercise Price" means, in the case of an Option, the amount for which a Share may be purchased upon exercise of such Option, as specified in the applicable Award Agreement. "Exercise Price," in the case of a SAR, means an amount, as specified in the applicable Award Agreement, which is subtracted from the Fair Market Value in determining the amount payable to a Participant upon exercise of such SAR.

(s) "Fair Market Value" means the market price of a Share, determined by the Committee as follows:

- (i) If the Shares were traded on a stock exchange (such as the NYSE, NYSE Amex, the NASDAQ Global Market or NASDAQ Capital Market) at the time of determination, then the Fair Market Value shall be equal to the regular session closing price for such stock as reported by such exchange (or the exchange or market with the greatest volume of trading in the Shares) on the date of determination, or if there were no sales on such date, on the last date preceding such date on which a closing price was reported;
- (ii) If the Shares were traded on the OTC Bulletin Board at the time of determination, then the Fair Market Value shall be equal to the last-sale price reported by the OTC Bulletin Board for such date, or if there were no sales on such date, on the last date preceding such date on which a sale was reported; and
- (iii) If neither of the foregoing provisions is applicable, then the Fair Market Value shall be determined by the Committee in good faith using a reasonable application of a reasonable valuation method as the Committee deems appropriate.

Whenever possible, the determination of Fair Market Value by the Committee shall be based on the prices reported by the applicable exchange or the OTC Bulletin Board, as applicable, or a nationally recognized publisher of stock prices or quotations (including an electronic on-line publication). Such determination shall be conclusive and binding on all persons.

 - (y) “Net Exercise” means, to the extent that an Award Agreement so provides and as permitted by applicable law, an arrangement pursuant to which the number of Shares issued to the Optionee in connection with the Optionee’s exercise of the Option will be reduced by the Company’s retention of a portion of such Shares. Upon such a net exercise of an Option, the Optionee will receive a net number of Shares that is equal to (i) the number of Shares as to which the Option is being exercised minus (ii) the quotient (rounded down to the nearest whole number) of the aggregate Exercise Price of the Shares being exercised divided by the Fair Market Value of a Share on the Option exercise date. The number of Shares covered by clause (ii) will be retained by the Company and not delivered to the Optionee. No fractional Shares will be created as a result of a Net Exercise and the Optionee must contemporaneously pay for any portion of the aggregate Exercise Price that is not covered by the Shares retained by the Company under clause (ii). The number of Shares delivered to the Optionee may be further reduced if Net Exercise is utilized under Section 15(b) to satisfy applicable tax withholding obligations.
 - (z) “Non-Employee Director” means a member of the Board who is not an Employee.

A corporation that attains the status of a Parent on a date after the Adoption Date shall be considered a Parent commencing as of such date.

Service will be deemed terminated as soon as the entity to which Service is being provided is no longer either (i) the Company, (ii) a Parent, (iii) a Subsidiary or (iv) an Affiliate. A Participant's Service does not terminate if he or she is a common-law employee and goes on a bona fide leave of absence that was approved by the Company in writing and the terms of the leave provide for continued service crediting, or when continued service crediting is required by applicable law. However, for purposes of determining whether an Employee's outstanding ISOs are eligible to continue to qualify as ISOs (and not become NQSOs), an Employee's Service will be treated as terminating three (3) months after such Employee went on leave, unless such Employee's right to return to active work is guaranteed by law or by a contract. Service terminates in any event when the approved leave ends, unless such Employee immediately returns to active work. The Committee determines which leaves count toward Service, and when Service commences and terminates for all purposes under the Plan. For avoidance of doubt, a Participant's Service shall not be deemed terminated if the Committee determines that (i) a transition of employment to service with a partnership, joint venture or corporation not meeting the requirements of a Subsidiary or Parent or Affiliate in which the Company or a Subsidiary or Parent or Affiliate is a party is not considered a termination of Service, (ii) the Participant transfers between service as an Employee and service as a Consultant or other personal service provider (or vice versa), or (iii) the Participant transfers between service as an Employee and that of a Non-Employee Director (or vice versa). The Committee may determine whether any Company transaction, such as a sale or spin-off of a division or subsidiary that employs a Participant, shall be deemed to result in termination of Service for purposes of any affected Awards, and the Committee's decision shall be final, conclusive and binding.

In determining stock ownership, the attribution rules of Section 424(d) of the Code shall be applied.

SECTION 3. ADMINISTRATION.

(a) Committee Composition. A Committee (or Committees) appointed by the Board (or its Compensation Committee) shall administer the Plan. Unless the Board provides otherwise, the Board’s Compensation Committee (or a comparable committee of the Board) shall be the Committee. The Board may also at any time terminate the functions of the Committee and reassume all powers and authority previously delegated to the Committee.

To the extent required to enable Awards to be exempt from liability under Section 16(b) of the Exchange Act, the Committee shall have membership composition which enables Awards to Section 16 Persons to qualify as exempt from liability under Section 16(b) of the Exchange Act.

The Board or the Committee may also appoint one or more separate committees of the Board, each composed of one or more directors of the Company who need not qualify under Rule 16b-3, that may administer the Plan with respect to Selected Employees who are not Section 16 Persons, respectively, may grant Awards under the Plan to such Selected Employees and may determine all terms of such Awards. To the extent permitted by applicable law, the Board may also appoint a committee, composed of one or more officers of the Company, that may authorize Awards to Employees (who are not Section 16 Persons) within parameters specified by the Board and consistent with any limitations imposed by applicable law.

A majority of the members of the Committee shall constitute a quorum for the transaction of business. Action approved in writing by a majority of the members of the Committee then serving shall be as effective as if the action had been taken by unanimous vote at a meeting duly called and held.

(b) Authority of the Committee. Subject to the provisions of the Plan, the Committee shall have full authority and discretion to take any actions it deems necessary or advisable for the administration of the Plan. Such actions shall include without limitation:

- (i) determining Selected Employees who are to receive Awards under the Plan;
- (ii) determining the type, number, vesting requirements, performance goals (or other objective/subjective goals (if any)) and their degree of satisfaction, and other features and conditions of such Awards and amending such Awards;
- (iii) correcting any defect, supplying any omission, or reconciling or clarifying any inconsistency in the Plan or any Award Agreement;
- (iv) accelerating the vesting of Awards in the cases of a Participant's death or Disability or extending the post-termination exercise term;
- (v) permitting or denying, in its discretion, a Participant's request to transfer an Award;
- (vi) permitting or requiring, in its discretion, a Participant to use Cashless Exercise, Net Exercise and/or Share withholding with respect to the payment of any Exercise Price and/or applicable tax withholding;
- (vii) interpreting the Plan and any Award Agreements;
- (viii) making all other decisions relating to the operation of the Plan;
- (ix) making such modifications to the Plan as are necessary to effectuate the intent of the Plan as a result of any changes in the income tax, accounting, or securities law treatment of Participants and the Plan; and
- (x) granting Awards to Selected Employees who are foreign nationals on such terms and conditions different from those specified in the Plan, which may be necessary or desirable to foster and promote achievement of the purposes of the Plan, and adopting such modifications, procedures, and/or subplans (with any such subplans attached as appendices to the Plan) and the like as may be necessary or desirable to comply with provisions of the laws or regulations of other countries or jurisdictions to ensure the viability of the benefits from Awards granted to Participants employed in such countries or jurisdictions, or to meet the requirements that permit the Plan to operate in a qualified or tax efficient manner, and/or comply with applicable foreign laws or regulations.

The Committee may adopt such rules or guidelines, as it deems appropriate to implement the Plan. The Committee's determinations under the Plan shall be final, conclusive and binding on all persons. The Committee's decisions and determinations need not be uniform and may be made selectively among Participants in the Committee's sole discretion. The Committee's decisions and determinations will be afforded the maximum deference provided by applicable law.

The Company shall effect the granting of Awards under the Plan in accordance with the determinations made by the Committee, by execution of instruments in writing in such form as approved by the Committee. The Committee may not increase an Award once granted, although it may grant additional Awards to the same Participant. The Committee shall keep the Board informed as to its actions and make available to the Board its books and records. Although the Committee has the authority to establish and administer the Plan, the Board reserves the right at any time to abolish the Committee and administer the Plan itself.

(c) Indemnification. To the maximum extent permitted by applicable law, each member of the Committee, or of the Board, or any persons (including without limitation Employees and Officers) who are

delegated by the Board or Committee to perform administrative functions in connection with the Plan, shall be indemnified and held harmless by the Company against and from (i) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan or any Award Agreement, and (ii) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

SECTION 4. GENERAL.

(a) General Eligibility. Only Employees, Consultants, and Non-Employee Directors shall be eligible for designation as Selected Employees by the Committee.

(b) Incentive Stock Options. Only Selected Employees who are common-law employees of the Company, a Parent or a Subsidiary shall be eligible for the grant of ISOs. In addition, a Selected Employee who is a 10-Percent Shareholder shall not be eligible for the grant of an ISO unless the requirements set forth in Section 422(c)(5) of the Code are satisfied. If and to the extent that any Shares are issued under a portion of any Option that exceeds the \$100,000 limitation of Section 422 of the Code, such Shares shall not be treated as issued under an ISO notwithstanding any designation otherwise. Certain decisions, amendments, interpretations and actions by the Company or Committee and certain actions by a Participant may cause an Option to cease to qualify as an ISO pursuant to the Code and by accepting an Option Award, the Participant agrees in advance to such disqualifying action(s).

(c) Restrictions on Shares. Any Shares issued pursuant to an Award shall be subject to such Company policies, rights of repurchase, rights of first refusal and other transfer restrictions as the Committee may determine. Such restrictions shall apply in addition to any restrictions that may apply to holders of Shares generally and shall also comply to the extent necessary with applicable law. In no event shall the Company be required to issue fractional Shares under this Plan.

(d) No Rights as a Stockholder. A Participant, or a transferee of a Participant, shall have no rights as a stockholder (including without limitation voting rights or dividend or distribution rights) with respect to any Common Stock covered by an Award until such person becomes entitled to receive such Common Stock, has satisfied any applicable withholding or tax obligations relating to the Award and the Common Stock has been issued to the Participant. No adjustment shall be made for cash or stock dividends or other rights for which the record date is prior to the date when such Common Stock is issued, except as expressly provided in Section 12.

(e) Termination of Service. Unless the applicable Award Agreement or employment agreement provides otherwise (and in such case, the Award or employment agreement shall govern as to the consequences of a termination of Service for such Awards), the following rules shall govern the vesting, exercisability and term of outstanding Awards held by a Participant in the event of termination of such Participant's Service (in all cases subject to the term of the Option or SAR or Other Equity Award as applicable):

- (i) if the Service of a Participant is terminated for Cause, then all of his/her then-outstanding Options, SARs, and unvested portions of all other Awards shall terminate and be forfeited immediately without consideration as of the Termination Date;
- (ii) if the Service of Participant is terminated due to Participant's death or Disability, then the vested portions of his/her then-outstanding Options/SARs/Other Equity Awards may be exercised by such Participant or his or her personal representative within twelve months after the Termination Date and all unvested portions of all then-outstanding Awards shall be forfeited without consideration as of the Termination Date; and

(iii) if the Service of Participant is terminated for any reason other than for Cause or death or Disability, then the vested portion of his/her then-outstanding Options/SARs/Other Equity Awards may be exercised by such Participant or his or her personal representative within three months after the Termination Date and all unvested portions of all then-outstanding Awards shall be forfeited without consideration as of the Termination Date.

(f) Code Section 409A. Notwithstanding anything in the Plan to the contrary, the Plan and Awards granted hereunder are intended to be exempt from or comply with the requirements of Code Section 409A and shall be interpreted in a manner consistent with such intention. In the event that any provision of the Plan or an Award Agreement is determined by the Committee to not comply with the applicable requirements of Code Section 409A or the applicable regulations and other guidance issued thereunder, the Committee shall have the authority to take such actions and to make such changes to the Plan or an Award Agreement as the Committee deems necessary to comply with such requirements. Any payment made pursuant to any Award shall be considered a separate payment and not one of a series of payments for purposes of Code Section 409A. Notwithstanding the foregoing or anything elsewhere in the Plan or an Award Agreement to the contrary, if upon a Participant's Separation From Service he/she is then a Specified Employee, then solely to the extent necessary to comply with Code Section 409A and avoid the imposition of taxes under Code Section 409A, the Company shall defer payment of "nonqualified deferred compensation" subject to Code Section 409A payable as a result of and within six (6) months following such Separation From Service under this Plan until the earlier of (i) the first business day of the seventh month following the Participant's Separation From Service, or (ii) ten (10) days after the Company receives written confirmation of the Participant's death. Any such delayed payments shall be made without interest. While it is intended that all payments and benefits provided under the Plan or an Award will be exempt from or comply with Code Section 409A, the Company makes no representation or covenant to ensure that the payments under the Plan or an Award are exempt from or compliant with Code Section 409A. In no event whatsoever shall the Company be liable if a payment or benefit under the Plan or an Award is challenged by any taxing authority or for any additional tax, interest or penalties that may be imposed on a Participant by Code Section 409A or any damages for failing to comply with Code Section 409A. The Participant will be entirely responsible for any and all taxes on any benefits payable to such Participant as a result of the Plan or an Award. If the applicable Award Agreement or Participant's employment agreement provides for Code Section 409A related provisions other than what is specified above in this Section 4(f), then such provisions in the Award or employment agreement shall govern.

(g) Suspension or Termination of Awards. If at any time (including after a notice of exercise has been delivered) the Committee (or the Board), reasonably believes that a Participant has committed an act of Cause (which includes a failure to act), the Committee (or Board) may suspend the Participant's right to exercise any Award (or vesting or settlement of any Award) pending a determination of whether there was in fact an act of Cause. If the Committee (or the Board) determines a Participant has committed an act of Cause, neither the Participant nor his or her estate shall be entitled to exercise any outstanding Award whatsoever and all of Participant's outstanding Awards shall then terminate without consideration. Any determination by the Committee (or the Board) with respect to the foregoing shall be final, conclusive and binding on all interested parties.

(h) Electronic Communications. Subject to compliance with applicable law and/or regulations, an Award Agreement or other documentation or notices relating to the Plan and/or Awards may be communicated to Participants (and executed by Participants) by electronic media.

(i) Unfunded Plan. The Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Participants who are granted Awards under this Plan, any such accounts will be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets which may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation, nor shall the Company or the Committee be deemed to be a trustee of stock or cash to be awarded under the Plan.

(j) Liability of Company. The Company (or members of the Board or Committee) shall not be liable to a Participant or other persons as to: (a) the non-issuance or sale of Shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder; and (b) any unexpected or adverse tax consequence or any tax consequence expected, but not realized, by any Participant or other person due to the grant, receipt, exercise or settlement of any Award granted hereunder.

(k) Reformation. In the event any provision of this Plan shall be held illegal or invalid for any reason, such provisions will be reformed by the Board if possible and to the extent needed in order to be held legal and valid. If it is not possible to reform the illegal or invalid provisions then the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

(l) Payment of Non-Employee Director Cash Fees with Equity Awards. If the Board affirmatively decides to authorize such a process, each Non-Employee Director may elect to receive a Restricted Stock Grant (or Stock Units) issued under the Plan in lieu of payment of all or a portion of his or her annual cash retainer and/or any other cash fees including without limitation meeting fees, committee service fees and participation fees. Any such elections made by a Non-Employee Director shall be effected no later than the time permitted by applicable law and in accordance with the Company's insider trading policies and/or other policies. The aggregate Date of Grant fair market value of any Restricted Stock Grants or Stock Units issued pursuant to this Section 4(l) is intended to be equivalent to the value of the foregone cash fees. Any cash fees not elected to be received as a Restricted Stock Grant or Stock Units shall be payable in cash in accordance with the Company's standard payment procedures. The Board in its discretion shall determine the terms, conditions and procedures for implementing this Section 4(l) and may also modify or terminate its operation at any time.

(m) Successor Provision. Any reference to a statute, rule or regulation, or to a section of a statute, rule or regulation, is a reference to that statute, rule, regulation, or section as amended from time to time, both before and after the Adoption Date and including any successor provisions.

(n) Governing Law. This Plan and (unless otherwise provided in the Award Agreement) all Awards shall be construed in accordance with and governed by the laws of the State of Delaware, but without regard to its conflict of law provisions. The Committee may provide that any dispute as to any Award shall be presented and determined in such forum as the Committee may specify, including through binding arbitration. Unless otherwise provided in the Award Agreement, recipients of an Award under the Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of California to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.

(o) Assignment or Transfer of Awards. Except as otherwise provided under the applicable Award Agreement and then only to the extent permitted by applicable law, no Award shall be transferable by the Participant other than by will or by the laws of descent and distribution. No Award or interest therein may be transferred, assigned, pledged or hypothecated by the Participant during his or her lifetime, whether by operation of law or otherwise, nor may an Award be anticipated, assigned, attached, garnished, optioned, transferred or made subject to any creditor's process, whether voluntarily, involuntarily or by operation of law, nor may an Award be made subject to execution, attachment or similar process. Any act in violation of this Section 4(o) shall be null and void.

(p) Deferral Elections. The Committee may permit a Participant to elect to defer his or her receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant by virtue of the exercise, earn out or vesting of an Award made under the Plan. If any such election is permitted, the Committee shall establish rules and procedures for such payment deferrals, including the possible (a) payment or crediting of reasonable interest on such deferred amounts credited in cash, and (b) the payment or crediting of dividend equivalents in respect of deferrals credited in units of Common Stock. The Company and the Committee shall not be responsible to any person in the event that the payment deferral does not result in deferral of income for tax purposes

(q) No Re-Pricing of Options or SARs or Award of Re-Load Options. Notwithstanding anything to the contrary, (i) outstanding Options or SARs may not be Re-Priced and (ii) Re-Load Options may not be awarded, in each case without the approval of Company stockholders. Moreover, any amendment to the Plan or any Award agreement that results in the repricing of an Option or SAR issued under the Plan shall not be effective without prior approval of the stockholders of the Company. For this purpose, repricing includes a reduction in the Exercise Price of an Option or a SAR or the cancellation of an Option or SAR in exchange for cash, Options or SARs with an Exercise Price less than the Exercise Price of the cancelled Option or SAR, other Awards under the Plan or any other consideration provided by the Company.

(r) Limits on Grants to Non-Employee Directors. Notwithstanding anything to the contrary, no Non-Employee Director serving in the below positions at any time during a Fiscal Year shall receive Awards during such Fiscal Year covering, in the aggregate, in excess of the following number of Shares.

- (i) Chairperson: 100,000 Shares
- (ii) Vice Chairperson: 80,000 Shares
- (iii) Other Non-Employee Director: 10,000 Shares

(s) Dividends/Dividend Equivalents. For all Awards, no payment of dividends (or dividend equivalents) shall be made with respect to any unvested Awards. Dividends (and dividend equivalents) shall only be paid to a Participant to the extent that the underlying Award to which the dividends/dividend equivalents are attached becomes vested. For avoidance of doubt, accrual of dividends (and dividend equivalents) while the underlying Award is unvested and which are payable upon vesting is permitted to the extent provided under this Plan or Award agreement.

(t) Minimum Vesting. Notwithstanding anything to the contrary, with respect to at least 95% of the Shares underlying all Awards granted under the Plan, such Awards shall have a minimum vesting period for every portion of the Award of at least one year after the Date of Grant. This minimum vesting requirement for such covered Awards may not be superseded by an individual Award agreement or other agreement.

(u) Minimum Holding Period. Notwithstanding anything to the contrary, the after-tax withholding portion of Shares (the "After-Tax Shares") that are acquired by a Participant upon exercise of an Option must be held by such Participant through the Minimum Holding Period. During the Minimum Holding Period, no After-Tax Shares may be sold, transferred, assigned, pledged or hypothecated by the Participant.

SECTION 5. SHARES SUBJECT TO PLAN AND SHARE LIMITS.

(a) Basic Limitations. The Common Stock issuable under the Plan shall be authorized but unissued Shares or treasury Shares or reacquired shares, bought on the market or otherwise. The maximum number of Shares that are issued under this Plan cannot exceed the Share Limit as may be adjusted under Section 12. For purposes of the Plan and subject to adjustment under Section 12 and subject to the Share accounting provisions of Section 5(b), the Share Limit is 7,000,000 Shares and the ISO Limit is 7,000,000 Shares.

(b) Share Accounting. This Section 5(b) describes the Share accounting process under the Plan with respect to the Share Limit and ISO Limit.

- (i) There shall be counted against the numerical limitations in Section 5(a) the gross number of Shares subject to issuance upon exercise or used for determining payment or settlement of Awards. The below clauses (ii), (iii), (iv), (v) and (vi) of this Section 5(b) seek to clarify the intent of the foregoing sentence. The Shares issued (or settled) under an Award will be counted against the Share Limit (and ISO Limit if the Award is an ISO) at the time(s) of exercise or settlement of the Award. For avoidance of doubt, Shares that are withheld as payment for the Award's Exercise Price or applicable withholding taxes shall be counted against the Share Limit (and ISO Limit if the Award is an ISO)
- (ii) Each Share issued (or settled) under any Award, other than Options or SARs, shall be counted against the Share Limit as two (2) Shares. Each Share issued (or settled) pursuant to the exercise of any Option or SAR shall be counted against the Share Limit as one (1) Share.
- (iii) For avoidance of doubt, whether or not a SAR is settled with any Shares, the gross number of Shares subject to the exercise and which are used for determining the benefit

payable under such SAR shall be counted against the Share Limit, regardless of the number of Shares actually used to settle the SAR upon such exercise.

- (iv) For avoidance of doubt, to the extent an Option is exercised via a Cashless Exercise or Net Exercise or is not otherwise fully settled with Shares, then the gross number of Shares subject to the exercise and which are used for determining the benefit payable under such Option shall be counted against the Share Limit (and shall also count against the ISO Limit if the Option being exercised is an ISO), regardless of the number of Shares actually issued to the Participant upon such exercise.
- (v) If any portion of an Award is forfeited, terminated without consideration, or expires unexercised, (collectively, "Forfeited Shares"), the gross number of such Forfeited Shares shall again be available for Awards under the Plan and shall not be counted against the Share Limit or ISO Limit.
- (vi) For avoidance of doubt, if any Awards are settled or paid in cash in lieu of stock and/or are exchanged for other Awards (collectively, "Settled Shares"), the gross number of such Settled Shares shall be counted against the Share Limit (and ISO Limit if the Award is an ISO).

Any Substitute Awards including without limitation any Shares that are delivered and any Awards that are granted by, or become obligations of, the Company, as a result of the assumption by the Company of, or in substitution for, outstanding awards previously granted by another entity (as provided below) shall not be counted toward the Share Limit or ISO Limit.

(c) Substitute Awards. Substitute Awards shall not count toward the Share Limit, nor shall Shares subject to a Substitute Award again be available for Awards under the Plan as provided in Section 5(b) above. Additionally, in the event that a company acquired by the Company or any Parent or any Subsidiary or any Affiliate or with which the Company or any Parent or any Subsidiary or any Affiliate combines has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not count toward the Share Limit; provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Employees or Board members prior to such acquisition or combination.

(d) Dividend Equivalents. Any dividend equivalents distributed under the Plan in the form of Shares shall be counted against the Share Limit (with each Share that is distributed counting as one Share against the Share Limit). Dividend equivalents will not be paid (or accrue) on unexercised Options or unexercised SARs.

SECTION 6. TERMS AND CONDITIONS OF OPTIONS.

(a) Award Agreement. Each Award of an Option under the Plan shall be evidenced by an Award Agreement between the Optionee and the Company. Such Option shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions that are not inconsistent with the Plan (including without limitation any performance goals). The provisions of the various Award Agreements entered into under the Plan need not be identical. The Award Agreement shall also specify whether the Option is an ISO and if not specified then the Option shall be an NQSO.

(b) Number of Shares. An Award Agreement shall specify the number of Shares that are subject to the Option and shall provide for adjustment of such number in accordance with Section 12.

(c) Exercise Price. An Option's Exercise Price shall be established by the Committee and set forth in an Award Agreement. Except with respect to outstanding stock options being assumed or Options being granted in exchange for cancellation of options granted by another issuer as provided under Section 6(e), the Exercise Price of an Option shall not be less than 100% of the Fair Market Value (110% for 10-Percent Shareholders in the case of ISOs) of a Share on the Date of Grant of the Option.

(d) Exercisability and Term. Subject to Section 3(b)(v), an Option may be exercised during the lifetime of the Participant only by the Participant or by the guardian or legal representative of the Participant. An Award Agreement shall specify the date when all or any installment of the Option is to become vested and/or exercisable. The Award Agreement shall also specify the term of the Option; provided that the term of an Option shall in no event exceed eight years from its Date of Grant (and may be for a shorter period of time than eight years). No Option can be exercised after the expiration date specified in the applicable Award Agreement. An Award Agreement may provide for accelerated vesting in the event of the Participant's death, or Disability. Notwithstanding anything to the contrary, an ISO that is granted to a 10-Percent Shareholder shall have a maximum term of five years. Notwithstanding any other provision of the Plan, no Option can be exercised after the expiration date provided in the applicable Award Agreement. An Award Agreement may permit an Optionee to exercise an Option before it is vested (an "early exercise"), subject to the Company's right of repurchase at the original Exercise Price of any Shares acquired under the unvested portion of the Option which right of repurchase shall lapse at the same rate the Option would have vested had there been no early exercise. An Award Agreement may also provide that the Company may determine to issue an equivalent value of cash in lieu of issuing some or all of the Shares that are being purchased upon an Option's exercise. In no event shall the Company be required to issue fractional Shares upon the exercise of an Option and the Committee may specify a minimum number of Shares that must be purchased in any one Option exercise.

(e) Modifications or Assumption of Options. Within the limitations of the Plan, the Committee may modify, extend or assume outstanding Options or may accept the cancellation of outstanding stock options (whether granted by the Company or by another issuer) in return for the grant of new Options for the same or a different number of Shares and at the same or a different Exercise Price. For avoidance of doubt, the Committee may not Re-Price outstanding Options. No modification of an Option shall, without the consent of the Optionee, impair his or her rights or increase his or her obligations under such Option.

SECTION 7. PAYMENT FOR OPTION SHARES.

(a) General Rule. The entire Exercise Price of Shares issued upon exercise of Options shall be payable in cash (or check) at the time when such Shares are purchased by the Optionee, except as follows and if so provided for in an applicable Award Agreement:

- (i) In the case of an ISO granted under the Plan, payment shall be made only pursuant to the express provisions of the applicable Award Agreement. The Award Agreement may specify that payment may be made in any form(s) described in this Section 7.
- (ii) In the case of an NQSO granted under the Plan, the Committee may, in its discretion at any time, accept payment in any form(s) described in this Section 7.

(b) Surrender of Stock. To the extent that the Committee makes this Section 7(b) applicable to an Option in an Award Agreement, payment for all or a part of the Exercise Price may be made with Shares which have already been owned by the Optionee for such duration as shall be specified by the Committee. Such Shares shall be valued at their Fair Market Value on the date when the new Shares are purchased under the Plan.

(c) Cashless Exercise. To the extent that the Committee makes this Section 7(c) applicable to an Option in an Award Agreement, payment for all or a part of the Exercise Price may be made through Cashless Exercise.

(d) Net Exercise. To the extent that the Committee makes this Section 7(d) applicable to an Option in an Award Agreement, payment for all or a part of the Exercise Price may be made through Net Exercise.

(e) Other Forms of Payment. To the extent that the Committee makes this Section 7(e) applicable to an Option in an Award Agreement, payment may be made in any other form that is consistent with applicable laws, regulations and rules and approved by the Committee.

SECTION 8. TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS.

(a) Award Agreement. Each Award of a SAR under the Plan shall be evidenced by an Award Agreement between the Participant and the Company. Such SAR shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan (including without limitation any performance goals). An Award Agreement may provide for a maximum limit on the amount of any payout notwithstanding the Fair Market Value on the date of exercise of the SAR. The provisions of the various Award Agreements entered into under the Plan need not be identical. SARs may be granted in consideration of a reduction in the Participant's other compensation.

(b) Number of Shares. An Award Agreement shall specify the number of Shares to which the SAR pertains and is subject to adjustment of such number in accordance with Section 12.

(c) Exercise Price. An Award Agreement shall specify the Exercise Price. Except with respect to outstanding stock appreciation rights being assumed or SARs being granted in exchange for cancellation of stock appreciation rights granted by another issuer as provided under Section 8(f), the Exercise Price of a SAR shall not be less than 100% of the Fair Market Value on the Date of Grant of the SAR.

(d) Exercisability and Term. Subject to Section 3(b)(v), a SAR may be exercised during the lifetime of the Participant only by the Participant or by the guardian or legal representative of the Participant. An Award Agreement shall specify the date when all or any installment of the SAR is to become exercisable. The Award Agreement shall also specify the term of the SAR which shall not exceed eight years from the Date of Grant of the SAR (and may be for a shorter period of time than eight years). No SAR can be exercised after the expiration date specified in the applicable Award Agreement. An Award Agreement may provide for accelerated exercisability in the event of the Participant's death, or Disability and may provide for expiration prior to the end of its term in the event of the termination of the Participant's Service. A SAR granted under the Plan may provide that it will be exercisable only in the event of a Change in Control.

(e) Exercise of SARs. If, on the date when a SAR expires, the Exercise Price under such SAR is less than the Fair Market Value on such date but any portion of such SAR has not been exercised or surrendered, then such SAR may automatically be deemed to be exercised as of such date with respect to such portion to the extent so provided in the applicable Award Agreement. Upon exercise of a SAR, the Participant (or any person having the right to exercise the SAR after Participant's death) shall receive from the Company (i) Shares, (ii) cash or (iii) any combination of Shares and cash, as the Committee shall determine. The amount of cash and/or the Fair Market Value of Shares received upon exercise of SARs shall, in the aggregate, be equal to the amount by which the Fair Market Value (on the date of surrender) of the Shares subject to the SARs exceeds the Exercise Price of the Shares.

(f) Modification or Assumption of SARs. Within the limitations of the Plan, the Committee may modify, extend or assume outstanding SARs or may accept the cancellation of outstanding SARs (including stock appreciation rights granted by another issuer) in return for the grant of new SARs for the same or a different number of Shares and at the same or a different Exercise Price. For avoidance of doubt, the Committee may not Re-Price outstanding SARs. No modification of a SAR shall, without the consent of the Participant, impair his or her rights or increase his or her obligations under such SAR.

SECTION 9. TERMS AND CONDITIONS FOR RESTRICTED STOCK GRANTS.

(a) Award Agreement. Each Restricted Stock Grant awarded under the Plan shall be evidenced by an Award Agreement between the Participant and the Company. Each Restricted Stock Grant shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions that are not inconsistent with the Plan (including without limitation any performance goals). The provisions of the Award Agreements entered into under the Plan need not be identical.

(b) Number of Shares and Payment. An Award Agreement shall specify the number of Shares to which the Restricted Stock Grant pertains and is subject to adjustment of such number in accordance with Section 12. Restricted Stock Grants may be issued with or without cash consideration under the Plan.

(c) Vesting Conditions. Each Restricted Stock Grant may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Award Agreement. An Award Agreement may provide for accelerated vesting in the event of the Participant's death, or Disability.

(d) Voting and Dividend Rights. The holder of a Restricted Stock Grant (irrespective of whether the Shares subject to the Restricted Stock Grant are vested or unvested) awarded under the Plan shall have the same voting, dividend and other rights as the Company's other stockholders. However, any dividends received on Shares that are unvested (whether such dividends are in the form of cash or Shares) shall be subject to the same vesting conditions and restrictions as the Restricted Stock Grant with respect to which the dividends were paid. Such additional Shares issued as dividends that are subject to the Restricted Stock Grant shall count toward the Share Limit (with each Share that is distributed as a dividend counting as one Share against the Share Limit).

(e) Modification or Assumption of Restricted Stock Grants. Within the limitations of the Plan, the Committee may modify or assume outstanding Restricted Stock Grants or may accept the cancellation of outstanding Restricted Stock Grants (including stock granted by another issuer) in return for the grant of new Restricted Stock Grants for the same or a different number of Shares. No modification of a Restricted Stock Grant shall, without the consent of the Participant, impair his or her rights or increase his or her obligations under such Restricted Stock Grant.

SECTION 10. TERMS AND CONDITIONS OF STOCK UNITS.

(a) Award Agreement. Each grant of Stock Units under the Plan shall be evidenced by an Award Agreement between the Participant and the Company. Such Stock Units shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan (including without limitation any performance goals). The provisions of the various Award Agreements entered into under the Plan need not be identical. Stock Units may be granted in consideration of a reduction in the Participant's other compensation.

(b) Number of Shares and Payment. An Award Agreement shall specify the number of Shares to which the Stock Unit Award pertains and is subject to adjustment of such number in accordance with Section 12. To the extent that an Award is granted in the form of Stock Units, no cash consideration shall be required of the Award recipients.

(c) Vesting Conditions. Each Award of Stock Units may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Award Agreement. An Award Agreement may provide for accelerated vesting in the event of the Participant's death, or Disability.

(d) Voting and Dividend Rights. The holders of Stock Units shall have no voting rights. Prior to settlement or forfeiture, any Stock Unit awarded under the Plan may, at the Committee's discretion, carry with it a right to dividend equivalents. Such right entitles the holder to be credited with an amount equal to all cash or Common Stock dividends paid on one Share while the Stock Unit is outstanding. Dividend equivalents may be converted into additional Stock Units. Settlement of dividend equivalents may be made in the form of cash, in the form of Shares, or in a combination of both. Prior to vesting of the Stock Units, any dividend equivalents accrued on such unvested Stock Units shall be subject to the same vesting conditions and restrictions as the Stock Units to which they attach.

(e) Modification or Assumption of Stock Units. Within the limitations of the Plan, the Committee may modify or assume outstanding Stock Units or may accept the cancellation of outstanding Stock Units (including stock units granted by another issuer) in return for the grant of new Stock Units for the same or a different number of Shares. No modification of a Stock Unit shall, without the consent of the Participant, impair his or her rights or increase his or her obligations under such Stock Unit.

(f) Form and Time of Settlement of Stock Units. Settlement of vested Stock Units may be made in the form of (a) cash, (b) Shares or (c) any combination of both, as determined by the Committee. The actual number of Stock Units eligible for settlement may be larger or smaller than the number included in the original Award. Methods of converting Stock Units into cash may include (without limitation) a method based on the average Fair Market Value of Shares over a series of trading days. Except as otherwise provided in an Award Agreement or a timely completed deferral election, vested Stock Units shall be settled within thirty days after vesting. The Award Agreement may provide that distribution may occur or commence when all vesting conditions applicable to the Stock Units have been satisfied or have lapsed, or it may be deferred, in accordance with applicable law, to a later specified date. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents. Until an Award of Stock Units is settled, the number of such Stock Units shall be subject to adjustment pursuant to Section 12.

(g) Creditors' Rights. A holder of Stock Units shall have no rights other than those of a general creditor of the Company. Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Award Agreement.

SECTION 11. OTHER AWARDS.

The Committee may in its discretion issue Other Equity Awards to Selected Employees. The terms and conditions of any such Awards shall be evidenced by an Award Agreement between the Participant and the Company. Settlement of Other Equity Awards may be in the form of Shares and/or cash as determined by the Committee.

SECTION 12. ADJUSTMENTS.

(a) Adjustments. In the event of a subdivision of the outstanding Shares, a declaration of a dividend payable in Shares, a declaration of a dividend payable in a form other than Shares in an amount that has a material effect on the value of Shares, a combination or consolidation of the outstanding Shares (by reclassification or otherwise) into a lesser number of Shares, a stock split, a reverse stock split, a reclassification or other distribution of the Shares without the receipt of consideration by the Company, of or on the Common Stock, a recapitalization, a combination, a spin-off or a similar occurrence, the Committee shall make equitable and proportionate adjustments, taking into consideration the accounting and tax consequences, to:

- (1) the Share Limit and ISO Limit and the various Share numbers referenced in Sections 4(r) and 5(a);
- (2) the number and kind of securities available for Awards (and which can be issued as ISOs) under Section 5;
- (3) the number and kind of securities covered by each outstanding Award;
- (4) the Exercise Price under each outstanding Option and SAR; and
- (5) the number and kind of outstanding securities issued under the Plan.

(b) Participant Rights. Except as provided in this Section 12, a Participant shall have no rights by reason of any issue by the Company of stock of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class. If by reason of an adjustment pursuant to this Section 12, a Participant's Award covers additional or different shares of stock or securities, then such additional or different shares and the Award in respect thereof shall be subject to all of the terms, conditions and restrictions which were applicable to the Award and the Shares subject to the Award prior to such adjustment.

(c) Fractional Shares. Any adjustment of Shares pursuant to this Section 12 shall be rounded down to the nearest whole number of Shares. Under no circumstances shall the Company be required to authorize or issue

fractional shares. To the extent permitted by applicable law, no consideration shall be provided as a result of any fractional shares not being issued or authorized.

SECTION 13. EFFECT OF A CHANGE IN CONTROL.

(a) Merger or Reorganization. In the event that there is a Change in Control and/or the Company is a party to a merger or acquisition or reorganization or similar transaction, outstanding Awards shall be subject to the merger agreement or other applicable transaction agreement. Such agreement may provide, without limitation, that subject to the consummation of the applicable transaction, for the assumption (or substitution) of outstanding Awards by the surviving entity or its parent, for their continuation by the Company (if the Company is a surviving corporation), or for their cancellation either with or without consideration, in all cases without the consent of the Participant and outstanding Awards do not have to all be uniformly treated the same way.

(b) Acceleration of Vesting. Except as otherwise provided in the applicable Award Agreement (and in such case the applicable Award Agreement shall govern), in the event that a Change in Control or other transaction covered by Section 13(a) occurs and (i) there is no assumption, substitution or continuation of Awards pursuant to Section 13(a), then all then-outstanding Awards shall vest (with performance Awards vesting and being paid out at their target levels) and become exercisable as of immediately before such Change in Control or (ii) if the Participant's Service is terminated without Cause by the Company (or its acquirer) within two years after a Change in Control or other transaction covered by Section 13(a), then all of such Participant's then-outstanding Awards shall vest (with performance Awards vesting and being paid out at their target levels) and become exercisable upon Participant's Termination Date. For avoidance of doubt, "substitution" includes, without limitation, an Award being replaced by a cash award that provides an equivalent intrinsic value (wherein intrinsic value equals the difference between the market value of a share and any exercise price). The Committee may also in its discretion include in an Award Agreement a requirement that, under certain circumstances, acceleration of vesting (or compensation payable) with respect to such Award shall be reduced (or eliminated) to the extent that such reduction (or elimination) would, after taking into account any other payments in the nature of compensation to which the Participant would have a right to receive from the Company and any other person contingent upon the occurrence of a Change in Control, prevent the occurrence of a "parachute payment" as defined under Code Section 280G.

SECTION 14. LIMITATIONS ON RIGHTS.

(a) Retention Rights. Neither the Plan nor any Award granted under the Plan shall be deemed to give any individual a right to remain in Service as an Employee, Consultant, or Non-Employee Director or to receive any other Awards under the Plan. The Company and its Parents and Subsidiaries and Affiliates reserve the right to terminate the Service of any person at any time, and for any reason, subject to applicable laws, the Company's Certificate of Incorporation and Bylaws and a written employment agreement (if any).

(b) Regulatory Requirements. Any other provision of the Plan notwithstanding, the obligation of the Company to issue Shares or other securities under the Plan shall be subject to all applicable laws, rules and regulations and such approval by any regulatory body as may be required. The Company reserves the right to restrict, in whole or in part, the delivery of Shares or other securities pursuant to any Award prior to the satisfaction of all legal requirements relating to the issuance of such Shares or other securities, to their registration, qualification or listing or to an exemption from registration, qualification or listing.

(c) Dissolution. To the extent not previously exercised or settled, Options, SARs, unvested Stock Units and unvested Restricted Stock Grants shall terminate immediately prior to the dissolution or liquidation of the Company and shall be forfeited to the Company (except for repayment of any amounts a Participant had paid to the Company to acquire unvested Shares underlying the forfeited Awards).

(d) Other Company Benefit and Compensation Programs. Payments and other benefits received by a Participant under an Award made pursuant to the Plan shall not be deemed a part of a Participant's regular, recurring compensation for purposes of the termination indemnity or severance pay law of any state. Furthermore, such benefits shall not be included in, nor have any effect on, the determination of benefits under any other employee benefit plan or similar arrangement provided by the Company or a Subsidiary or Affiliate unless expressly so provided by such other plan or arrangement, or except where the Committee expressly determines that inclusion of

an Award or portion of an Award should be included. Awards under the Plan may be made in combination with or in addition to, or as alternatives to, grants, awards or payments under any other Company or Subsidiary plans. The Company or any Subsidiary may adopt such other compensation programs and additional compensation arrangements (in addition to this Plan) as it deems necessary to attract, retain, and motivate officers, directors, employees or independent contractors for their service with the Company and its Subsidiaries and its Affiliates.

(e) Clawback Policy. The Company may (i) cause the cancellation of any Award, (ii) require reimbursement of any Award by a Participant and (iii) effect any other right of recoupment of equity or other compensation provided under this Plan or otherwise in accordance with Company policies as may be adopted and/or modified from time to time by the Company and/or applicable law (each, a "Clawback Policy"). In addition, a Participant may be required to repay to the Company certain previously paid compensation, whether provided under this Plan or an Award Agreement or otherwise, in accordance with the Clawback Policy. By accepting an Award, a Participant is also agreeing to be bound by the Company's Clawback Policy which may be amended from time to time by the Company in its discretion (including without limitation to comply with applicable laws or stock exchange requirements) and is further agreeing that all of the Participant's Awards (and/or awards issued under the Prior Plan) may be unilaterally amended by the Company to the extent needed to comply with the Clawback Policy.

SECTION 15. TAXES.

(a) General. A Participant shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations (including without limitation federal, state, local and foreign taxes) that arise in connection with his or her Award. The Company shall not be required to issue any Shares or make any cash payment under the Plan until such obligations are satisfied and the Company shall, to the maximum extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Participant.

(b) Share Withholding. The Committee in its discretion may permit or require a Participant to satisfy all or part of his or her withholding or income tax obligations by having the Company withhold all or a portion of any Shares that otherwise would be issued to him or her or by surrendering all or a portion of any Shares that he or she previously acquired (or by stock attestation). Such Shares shall be valued based on the value of the actual trade or, if there is none, the Fair Market Value as of the previous day. Any payment of taxes by assigning Shares to the Company may be subject to restrictions, including, but not limited to, any restrictions required by rules of the SEC. The Committee may also, in its discretion, permit or require a Participant to satisfy withholding tax obligations related to an Award through a sale of Shares underlying the Award or, in the case of Options, through Net Exercise or Cashless Exercise. The number of Shares that are withheld from an Award pursuant to this section may also be limited by the Committee, to the extent necessary, to avoid liability-classification of the Award (or other adverse accounting treatment) under applicable financial accounting rules including without limitation by requiring that no amount may be withheld which is in excess of maximum statutory withholding rates. The Committee, in its discretion, may permit or require other forms of payment of applicable tax withholding.

SECTION 16. DURATION AND AMENDMENTS.

(a) Term of the Plan and Effect on Prior Plan. This Plan, and its effectiveness, is subject to and conditioned upon its timely approval by Company stockholders. If the Stockholder Approval Date occurs before the first anniversary of the Adoption Date then this Plan shall become effective upon the Stockholder Approval Date and shall terminate no later than the day before the tenth anniversary of the Adoption Date. If the Stockholder Approval Date has not occurred before the first anniversary of the Adoption Date then this Plan shall not become effective and the Prior Plan shall continue to remain in full force and effect and shall govern all Awards. This Plan will not in any way affect outstanding awards that were issued under any other Company equity compensation plans. No further awards may be granted under the Prior Plan on or after the Stockholder Approval Date.

(b) Right to Amend or Terminate the Plan. The Board may amend or terminate the Plan at any time and for any reason. An amendment of the Plan shall be subject to the approval of the Company's stockholders only to the extent required by applicable laws, regulations or rules. In addition, no such amendment or termination shall be made which would impair the rights of any Participant, without such Participant's written consent, under any then-outstanding Award, provided that no such Participant consent shall be required with respect to any amendment or alteration if the Committee determines in its sole discretion that such amendment or alteration either (i) is

required or advisable in order for the Company, the Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of any accounting standard, or (ii) is not reasonably likely to significantly diminish the benefits provided under such Award, or that any such diminishment has been adequately compensated. Notwithstanding the above, the Board may amend the Plan to take into account changes in applicable securities laws, federal income tax laws and other applicable laws. Further, should the provisions of Rule 16b-3, or any successor rule, under the Exchange Act be amended, the Board may amend the Plan in accordance with any modifications to that rule without the need for stockholder approval. In the event of any conflict in terms between the Plan and any Award Agreement, the terms of the Plan shall prevail and govern.

SECTION 17. EXECUTION.

To record the approval of this Plan by the Board, the Company has caused its duly authorized Officer to execute this Plan on behalf of the Company.

DIODES INCORPORATED
2022 EQUITY INCENTIVE PLAN
[RESTRICTED STOCK UNIT AGREEMENT][PERFORMANCE STOCK UNIT AGREEMENT]

The Plan and Other Agreements

The text of the Plan is incorporated in this Agreement by reference. You and the Company agree to execute such further instruments and to take such further action as may reasonably be necessary to carry out the intent of this Agreement. Unless otherwise defined in this Agreement, certain capitalized terms used in this Agreement are defined in the Plan. This Agreement and the Plan constitute the entire understanding between you and the Company regarding this Award of Stock Units. Any prior agreements, commitments or negotiations concerning this Award are superseded.

For purposes of this Agreement, a “Qualifying Termination” occurs on Participant’s Termination Date if Participant’s Service was terminated due to either (i) Participant’s death, or (ii) Participant’s Disability.

For purposes of this Agreement, “Change of Control” shall have the same definition provided to “Change in Control” in the Plan except that in subclause (i) of such Change in Control definition, twenty-five percent (25%) shall be replaced by fifty percent (50%).

Award of Stock Units

The Company awards you the number of Stock Units shown on the cover sheet to this Agreement. The Award is subject to the terms and conditions of this Agreement and the Plan. The Company will not issue any Shares if the issuance of such Shares at that time would violate any law or regulation.

Vesting and Settlement

This Award will vest according to the Vesting section in the cover sheet to this Agreement. To the extent a Stock Unit becomes vested and subject to your satisfaction of any tax withholding obligations as discussed below, each vested Stock Unit will entitle you to receive one Share which will be distributed to you on the earliest of (i) a Change of Control, or (ii) a Qualifying Termination or (iii) the applicable vesting date set forth in the Vesting section in the cover sheet to this Agreement. Issuance of such Shares shall be in complete satisfaction of such vested Stock Units. Such settled Stock Units shall be immediately cancelled and no longer outstanding and you shall have no further rights or entitlements related to those settled Stock Units.

Transfer of Award

You cannot gift, transfer, assign, alienate, pledge, hypothecate, attach, sell, or encumber this Award. If you attempt to do any of these things, this Award will immediately become invalid. You may, however, dispose of this Award in your will or it may be transferred by the laws of descent and distribution. Regardless of any marital property settlement agreement, the Company is not obligated to recognize your spouse’s interest in your Award in any other way.

Termination of Service

If, while the unvested Stock Units are outstanding, your Service terminates for any reason, other than being terminated due to a Qualifying Termination, then the unvested portion of your Stock Units shall be forfeited without consideration and shall immediately expire on your Termination Date. If your Service terminates because of a Qualifying Termination, then an unvested portion of your Stock Units may become vested on an accelerated basis as of your Termination Date as provided in the Vesting section in the cover sheet to this Agreement.

Leaves of Absence

For purposes of this Award, your Service does not terminate when you go on a bona fide leave of absence that was approved by the Company in writing, if the terms of the leave of absence provide for Service crediting, or when Service crediting is required by applicable law. Your Service terminates in any event when the approved leave of absence ends unless you immediately return to active work.

The Company determines which leaves of absence count for this purpose (along with determining the effect of a leave of absence on vesting of the Award), and when your Service terminates for all purposes under the Plan.

Stockholder Rights

As a holder of Stock Units, you shall have no rights other than those of a general creditor of the Company. Subject to the terms of this Agreement, a holder of outstanding Stock Units has none of the rights and privileges of a stockholder of the Company. Without limiting the generality of the foregoing, a holder of outstanding Stock Units has no right to vote or to receive dividends (if any) on the shares represented by such Stock Units. Subject to the terms and conditions of this Agreement, Stock Units create no fiduciary duty of the Company to you and only represent an unfunded and unsecured contractual obligation of the Company. The Stock Units shall not be treated as property or as a trust fund of any kind.

You, or your estate, shall have no rights as a stockholder of the Company with regard to the Award until you have been issued the applicable Shares by the Company and have satisfied all other conditions specified in the Plan. No adjustment shall be made for cash or stock dividends or other rights for which the record date is prior to the date when such applicable Shares are issued, except as provided in the Plan.

Taxes and Withholding

You will be solely responsible for payment of any and all applicable taxes, including without limitation any penalties or interest based upon such tax obligations, associated with this Award.

The delivery to you of any Shares underlying vested Stock Units will not be permitted unless and until you have satisfied any withholding or other taxes that may be due. Any such tax withholding obligations may be settled in the Company's discretion by the Company withholding and retaining a portion of the Shares from the Shares that would otherwise be deliverable to you under the vesting Stock Units as provided in the next two sentences. Such withheld Shares will be applied to pay the withholding obligation by using the aggregate fair market value of the withheld Shares as of the date of settlement. You will be delivered the net amount of vested Shares after the Share withholding has been effected and you will not receive the withheld Shares. The Company will not deliver any fractional number of Shares.

Code Section 409A

This Award will be administered and interpreted to comply with Code Section 409A. The provisions of the Plan concerning Code Section 409A will apply to this Award to the extent needed.

Restrictions on Resale

By signing this Agreement, you agree not to sell, transfer, dispose of, pledge, hypothecate, make any short sale of, or otherwise effect a similar transaction of any Shares acquired under this Award (each a "Sale Prohibition") at a time when applicable laws, regulations or Company or underwriter trading policies prohibit the sale or disposition of Shares.

The Company shall have the right to designate one or more periods of time, each of which generally will not exceed one hundred eighty (180) days in length (provided however, that such period may be extended in connection with the Company's release (or announcement of release) of earnings results or other material news or events), and to impose a Sale Prohibition, if the Company determines (in its sole discretion) that such limitation(s) is/are needed in connection with a public offering of Shares or to comply with an underwriter's request or trading policy, or could in any way facilitate a lessening of any restriction on transfer pursuant to the Securities Act or any state securities laws with respect to any issuance of securities by the Company, facilitate the registration or qualification of any securities by the Company under the Securities Act or any state securities laws, or facilitate the perfection of any exemption from the registration or qualification requirements of the Securities Act or any applicable state securities laws for the issuance or transfer of any securities. The Company may issue stop/transfer instructions and/or appropriately legend any stock certificates issued pursuant to this Award in order to ensure compliance with the foregoing.

If the sale of Shares acquired under this Award is not registered under the Securities Act, but an exemption is available which requires an investment representation or other representation and warranty, you shall represent and agree that the Shares being acquired are being acquired for investment, and not with a view to the sale or distribution thereof, and shall make such other representations and warranties as are deemed necessary or appropriate by the Company and its counsel.

You may also be required, as a condition of this Award, to enter into any Company stockholder agreement or other agreements that are applicable to stockholders.

Clawback Policy

You expressly acknowledge and agree to be bound by Section 14(e) of the Plan, which contains provisions addressing the Company's policy on recoupment of equity or other compensation.

No Retention Rights
