Item 7.01 Regulation FD Disclosure.

On September 13, 2007, Diodes Incorporated (the “Company”) announced an increase in its revenue guidance for the third quarter of 2007. The Company now expects record third quarter revenue with sequential growth of 8 to 10 percent as compared to the previously provided guidance of 6 to 9 percent. Additionally, the Company reaffirmed its guidance of slightly improved gross profit margin for the third quarter. A copy of the press release is attached as Exhibit 99.1 to this Current Report.

The information in this Item 7.01, including Exhibit 99.1, will not be treated as filed for the purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”) or otherwise subject to the liabilities of that section. This information will not be incorporated by reference into a filing under the Securities Act of 1933, or into another filing under the Exchange Act, unless that filing expressly refers to specific information in this Report. The furnishing of the information in this Item 7.01 is not intended to, and does not, constitute a representation that such furnishing is required by Regulation FD or that the information in this Item 7.01 is material information that is not otherwise publicly available.

Cautionary Information Regarding Forward-Looking Statements

Except for the historical and factual information contained in the press release, attached as an exhibit to this Report, the matters set forth therein (including statements as to the expected benefits of the consolidation, and other statements identified by words such as “estimates,” “expects,” “projects,” “plans,” “will” and similar expressions) are forward-looking statements within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially, including: the possibility that the Company failed to meet the revenue guidance due to miscalculation, low demand of products, the Company’s inability to maintain customer and vendor relationships, negative impact of competitive products and pricing, unsuccessful integration of acquired companies and/or assets, high risks of foreign operations, unfavorable exchange rates, unavailability of tax credits; and the impact of competition and other risk factors relating to our industry and business as detailed from time to time in the Company’s reports filed with the SEC. You should not place undue reliance on these forward-looking statements, which speak only as of the date of the press release. The Company undertakes no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
